

DATA RETENTION AND RECORDS MANAGEMENT POLICY ADOPTED 24/05/18

Abbots Morton Parish Council is aware that the efficient management of its records is required to comply with its legal and regulatory obligations. Under the Freedom of Information Act 2000 requires the Council to maintain a retention schedule. The policy also ensures that valuable information is not destroyed and that information held is relevant.

This policy applies to all records created, received or maintained by the Parish Council in hard copy or electronic format. The Clerk will be overall responsible for the implementation of the policy and managing the Council's records.
